

WINNING TEAMS

Confirmed Broadcast Dates!

Winning Teams® is a 27-hour course produced by RISE Learning Solutions that instructs parents and teachers to team as partners in the care and education of children from birth to 6. RISE offers three 9-hour series, *Nurturing the Young Learner*, *Guiding Behavior*, and *Learning to Read and Write*.

February 17, 24, and March 2

Guiding Behavior brings to life effective strategies for working with challenging behaviors while increasing adults' confidence and competence in guiding the behavior of young children.

March 9, 16, and 23

Nurturing the Young Learner focuses on understanding developmentally appropriate practices, which in turn helps children start school ready to learn.

April 13, 20, and 27

Learning to Read and Write is based on the latest research in early childhood development, which shows that the process of learning to read and write actually begins at birth. The series will help parents and teachers learn how to support the development of early literacy skills in young children both at home and in childcare settings.

Participating in *Winning Teams* can qualify the learner for continuing education units from participating state governments and professional-development groups in early childhood education.
